**Tribute from Sandra Shaw**

Relation: Work related.

Condolences to Gwen's family. Although I didn't know Gwen for long it was obvious she loved her son, travels and golf! She was a fun-loving lady. We helped each other with foot care clients and I appreciated her willingness in that. May her family have many comforting memories throughout the years.

Clem, I am terribly sorry to hear the news about your mother. It was quite a surprise and so unexpected. I knew your mother socially and professionally. Please accept my condolences.
