Tribute from George Vereczkey

Relation: Friend

Terry will truly be missed. No matter what he was always a positive person. I had know Terry for over 30 years and considered him one of my best friends.

Tribute from Mac & Iva McDonald

Relation: Good friend

My husband was Parts manager in Victoria when Terry was the same in Campbell River and they got to know one another & enjoyed each others company at meetings & tournaments held within Finning. We moved to Kamloops and then to Penticton. Before we moved to Penticton, we met at their motel by Skaha Lake. After we moved, whenever Terry had an appointment with a doctor, he would phone & he & Mac would go for coffee at McDonald's in Wal Mart. Well before the move, Terry asked Mac to be Executor of his Will. Then he married & his wife had some sort of dementia where she transferred all his savings to her family. Terry was the kind of person when he took on a responsibility - he followed through...so we never go to visit him again until his wife passed. Mac had a sound friend in Terry. They chatted over coffee & helped the world be a better place. He was a dear soul! Mac & Iva McDonald.

Tribute from Arlene

Relation: Friend

Dear Barb, I am so sorry for the loss of your brother, Terry. I met him through business when he co-owned the The Beachside Motel in Penticton. When I told my daughter who had only met him once that he had passed, she said sadly " he was such a NICE man" and he was. A respectful,gentle soul and a life well lived. May he rest in peace
