Tribute from Gail Tritscher

Relation: Older brother of a childhood friend.

TK was one of the best of the best. Older than me but always funny, kind and helpful at McDougall Hall and the pool. My deepest condolences to his family we all knew in Kimberley and his wife Marg and their children and grandchildren. May your happy memories help you through your grief.

Tribute from Jim McLaren

Relation: Worked together at MOE for 15 years

Lost touch with TK after leaving MOE for Celgar in 1992 but remember very fondly how he profoundly influenced my commitment to energy from woodwaste. Only TK could make a video of me promoting this regional MOE policy change. Wow, was I a poor actor! TK was in my thoughts when Celgar started up its woodwaste to energy project in 2011 and I was able to retire. In my 48 years of work, TK

stands out as one of a very few "inspiring co-workers" - never to be forgotten - many Thanks Jim

Tribute from Bruno Geiger

I would like to pass on my condolences to the family. I roomed with Terri for one year at NDU along with John Kennedy. I saw him a few times over the years at hockey rinks as Geoff and my son played in the same league for a while. TK was always good for a laugh in those years and was a great guy to be around. I am sure he will be sorely missed by everyone.

Tribute from Carrie Morita

Relation: co-worker at MOE

I had the pleasure of working with TK from 2002 until his retirement. He was one-of-a-kind. He always had a picture of Marg at his desk and you could see the pride in his face when he spoke about his boys. Thinking of you all at this difficult time.

Tribute from Justin Willans

Relation: Friend

Hi Marg, Mike, Geoff and Brian,

Please accept mine and Tanis' most sincere and heartfelt condolences on the passing of TK. We can only imagine the pain and sense of loss you must all be feeling. TK was one of those "larger than life" individuals you always assume will go on forever. As I read the obit I couldn't help but remember so many times when his easy going humour or advice helped me navigate a parenting dilemma or some other issue I was having. I can not remember a time when we talked that I did not have at least one good laugh and usually it was three or four. He was in so many ways the type of man/father I aspired to be. I am sure this an extremely difficult time for all of you and I hope you are finding ways to get through it somehow. If there is anything I can do please all you have to do is ask.

Take Care Sincerely Justin And Tanis
