Tribute from Betty-Jo Hetherington

Relation: as a friend

I met Thelma when my mother was in McKinney Place. Thelma always was dressed like a lady who was going somewhere, always had a kind word and would ask how my mom was doing. When mom passed away Christmas day, I kept visiting and would see Thelma and she always had a smile and enjoyed the visits. I am so sorry to hear of her passing and will miss her. My thoughts and prayers are with Dave and the family. Betty-Jo Hetherington

Tribute from Yvonne Crothers & Gord Morrison

Relation: Long-time friend

I first knew Thelma and Howard in Edmonton in the late 70's. "Always a lady" in appearance and deportment, Thelma always treated others as she liked to be treated herself. After Thel and Howard moved to Oliver, we missed them terribly, but maintained a close relationship via correspondence, and visits. Thelma was always a sincere friend to me and never judged my misdemeanors, just encouraged me to carry on with progress. I loved that lady, and offer our sincere condolences to Dave and all of her family. Sincerely, Yvonne & Gord
