Tribute from Jim MacNaughton

Relation: longtime friend and minister

Dear Esther and family, I remember walking up to the bus door and sitting in the seat was Harold and he would be in that same seat for many years to come. What a remarkable man, kind ,gentle and yet stern for those boys who "fooled" around on his bus! Every community function, Harold was seen to be there sometimes in the crowd but always there. In Legion functions, he marched on Remembrance Days, and stood at gravesides for veterans who passed on, often in the colour party. For people of my age, 65, Harold was a mentor for behaviour,work and service. He was loved by all and he will be missed- our prayers and thoughts are with all of you and yours Esther.. God Bless.. Jim MacNaughton, Cape Breton Nova Scotia

Tribute from George Bowering

Relation: I was a schol boy at SOHS

All the schoolkids liked Harold Dawson. Some of us also noticed that whenever something needed doing in the village/town, Harold was there to help do it. If there was ever a good role model around my home town, Harold Dawson was the one.

Tribute from Faye McKinnon

Relation: husband of Esther

I offer my deepest sympathy to you, Esther. Harold was such a soft-spoken sweet man. We chatted briefly when I attended your ceramic classes. He asked me to show my slides of my African safari to the Kiwanis Club, many years ago. It will take time to accept your loss but I trust that you have very supportive family and friends.
