My dearest Friend Sherry,

My deepest condolences and go out to you and your family.

I have many fond memories of when we were all one big family back in the 70's.

They were not always easy times, but we shared a lot of experiences and your Mom was a big part of my precious teenage years. Valorie was a strong independent woman who raised an amazing, caring daughter. I am glad that you were able to move her closer to you this past year, and to bear witness to her strength and dignity in her last days.

Sending you , Keifer and Marlysse healing hugs. Much love to you.

Tribute from Michael & Vera Ryan

Relation: Friends

Dear Sherry and family,

We send our sympathy to you at the loss of your mother and grandmother. We knew Valorie through her involvement in politics and the Senior Centre. It was always stimulating to chat with her, as her passion for causes was so close to the surface. We will remember her fondly. We hope the esteem we have for her, will comfort you at this time of loss.
