Tribute from Judy Dallas

Relation: Through personal contacts and community involvements.

Was so very sorry to read of Virginia's passing. She really was a great community promoter and

supporter and greatly expected. She and Walter were a tremendous couple and always very friendly to those in the community. She was a great help to friends of ours who moved here to Osoyoos and they were delighted and appreciative of all of her assistance. The thought of them rejoined without having to deal with anything worrying or stressful is a lovely one. They left a lovely legacy for their family.

Tribute from Michael Ryan

Relation: Friend and fellow activist in local politics.

Condolences to all the family members on the passing of Virginia. I met her shortly after moving to Osoyoos in 2002 and work on her campaign for Mayor. She assisted us with real estate matters and was a value member of the Osoyoos Now Citizens group. She was a lovely lady and a great loss to our community.
