Jan and all your family we offer our deepest sympathy. Wayne was always such a joy to be around. Loved that smile and often times he was up to something when you saw the smile. He was a lovely man. We know you will miss him a lot as will we all. It was so sad seeing him decline over the last few years. Our heart aches for all of you and your loss of a very warm and loving human being. His pain is ended. Love you Jan.

It was always a high light of my week when you Wayne or your dog would come for care at the office. I was in awe as you two were busy living life. You were so sweet with Wayne and you filled his cup as he slowly was taken away . My daughter Zoe still laughs as you had us over to see your lambs on the farm. God bless Wayne and you as people like you that make our world beautiful.
