Tribute from Ray Jacobsen

Relation: Friend and co-worker

I first met Bill in Brooks, Alberta when, as teenagers we both joined the R.C.E. militia. We got along great and it was a pleasant surprise when we had the opportunity to work together at the Kamloops RCMP Detachment some years later. Bill was always a fun guy to be around because of his sense of humour and positive attitude. He was excellent police officer because of his excellent work ethic and "streets smarts." I never worked with Bill after 1974; however, when I reminisce about the "good old days" Bill is one of the guys that I remember very fondly. Sorry to hear of your loss Jennifer.

Tribute from Sharon Moodie

Relation: Old friends

Hello Jennifer. Just came across this by accident. So sorry to hear about Bill. It's been a long time since we've seen each other. You were living in Castlegar. Jim and I drove thru there in 2019 and went to your address but you had moved. We have friends in Osoyoos and have been there a number of times. We're still in Langley at the same house for 43 years. Not Brookwood. We hope you and your family are doing well. We always enjoyed our times with you and Bill.
