**Tribute from Jennifer Sim**

Relation: Real Estate Agent of ours

Dear Bill, you were so good to us and I miss you every day. You always had time for me after my husband had passed. Thank you so much for everything. You know how much I loved you. I even asked you out but you said I was too young for you. You went too soon. Forever and Ever, your friend always. With love, Jennifer

**Tribute from Martha Collins**

Relation: He was our very good friend.

Hi Shelly: we sure have been thinking about your dad a lot over the holidays...we miss him very much and I can't even imagine how much you are missing your dad. While we live in Osoyoos, we became closer to Bill while vacationing in Mexico. He was three towns south of us, and every Thursday after going to the La Penita market, we would make our way to Los Ayalas for a visit and a couple of beers at his place on the beach. We were lucky to do so for three winters. He was so kind to me when my dear best friend, Zoey, passed away on July 10, 2020. He came over and brought me a stuffed puppy to comfort me. Who does that? Bill! That's who. We had a nice day with him on his birthday, and then he went to a better place. So, we are sending you hugs, take care, Stu Wells and Martha Collins
