Tribute from Beverly Church

Relation: daughter

"I am all that I am because he loved me . . ." is the title of a song that I would dedicate to my father. My father was one of Canada's living treasures and he demonstrated his love for God, family, friends, community, and country. He shared the "Aloha Spirit" of generosity, wisdom, respect, patience, compassion, appreciation, humility, and patience." He was like sunshine -- bringing color, warmth, and happiness to us by his presence. He was like glue - held our family together through the years! I was blessed because you were my father. "Praise God from whom all blessings flow."

Tribute from Nick Kennedy

Relation: Bill was a friend and neighbour of my father.

I was just thinking about Bill today, and decided to Google him. I didn't know Bill was an SDA member? I was involved with SDA in Kelowna for a spell. I'm 36 years veggie now. R.I.P. Bill! It was a pleasure knowing you, if only for a short time in the 70s.
