Tribute from William (Bill) McGill

Relation: My mother's brother, my uncle.

It has been many years since I saw uncle Bill so my memories are from my childhood. I remember a kind, good humored, and straight forward uncle whom everyone seemed to like and respect. I never heard anyone criticize or complain about Bill. I certainly had nothing but respect and appreciation for him and for Edna. Non of us are here forever. Some live longer than others. In the end we need to have faith that we shall all meet again. Kathy and Rick, you can be proud of your parents. For sure they were proud of you.
